C97 The Mere

Councillor Sharpe volunteered to paint the railings and remove an overhanging branch on the Hazel tree – task completed

Lights on The Mere Island checked

C98 Flooding/Drainage Report – no issues

C99 Planning

21/03828/PLF – Erection of single storey extension to rear – Rockingham, New Bridge Lane, Nafferton – we have no observations to make on this application

21/03692/STPLF – Erection of 517 dwellings together with means of access and associated infrastructure – land east of New Walk, Driffield - Councillor Sheldon proposed that the application should be refused – insufficient capacity locally for education, health care, highways – seconded Councillor P. Milan – all in favour

Planning decisions:

21/00219/PLB – Installation of replacement windows and doors to front and other internal and external restoration work – 31 Middle Street, Nafferton – granted

21/03239/PLF – Erection of a single storey extension to existing joinery workshop – rear of 26 Priestgate, Nafferton – granted

Tree applications:

21/03786/TCA Crown lift 1 Oak Tree to allow more light into the house and garden – The Hall, Hall Close, Nafferton – we have no observations to make on this application

21/03810/TCA – Fell 1 Pine tree, 3 Leylandi Trees, 1 Douglas Fir, due to trees outgrowing their space and complaints from neighbouring properties due to shading and lack of light, pollard 1 Yew Tree to a height on 3 metres – Truro Vean, 45 Westgate, Nafferton – we have no observation to make on this application

21/03903/TCA – Fell 1 tree due to close proximity to the property, disrupts tv signal and roots growing in lawn with another tree growing next to tree – 12 Coppergate, Nafferton – we have no observations to make on this application

21/04014/TPO – Crown lift 1 Maple to a height of 6 metres and remove dead branches. It is not proposed that all lower limbs within the 6 metre zone are removed only those that are growing horizontal at an excessive length and are weaker in structure – The Hall, Hall Close, Nafferton – we have no observation to make on this application.

21/04048/TCA – Remove dead dying branches and thinner secondary leader 1 Wild Cherry that is running adjacent to main stem and striking it in high winds. Crown lift 2 lime trees up to a maximum height of 5 metres to improve shape of trees and allow more light into woodland and adjoining property. Crown reduce 1 Golden Leylandi by up to 50% of its current height to reduce the risks of blowing over in high winds – The Hall, Hall Close, Nafferton – we have no observations to make on this application
