

# NAFFERTON NEWSLETTER

October 2017 - Issue 94

## *Nafferton in Bloom*

Well the award's season has now passed and we are pleased to announce that **Nafferton** received a **SILVER AWARD** from the **YORKSHIRE IN BLOOM** judges.

The judges commented on the tidy appearance of the village and of the pride taken in the village by its residents. Particular mention was given to the beds at the railway station, the planters and topiary dog. The corner of Howe Lane was also recognised for its attraction of wild life.

The judges were also impressed with displays at the War Memorial and the bus shelter, and beds in the surrounding area. Mention was also made of the well maintained gardens by the residents of Beech Grove.

We would like to take the opportunity to thank everyone for their efforts.

Since the last publication we have held the **Nafferton in Bloom** awards. The weather on awards day was against us, but All Saints' Church came to our rescue and allowed us to use the church to make the presentations, for which we were very thankful.

The results were as follows: **LONDIS TROPHY; Winner STAR INN; Highly Commended, Blue Bell and Cross Keys.**

**NAFFERTON FEOFFES TROPHY; Winner MRS SHIRLEY McCLARRON, Highly Commended Mr & Mrs Greenwood, Commended Mrs J Stephenson.**

**PRIMEPAK FOOD COMPETITION; Winner, Jonty, Runners up, Romilly, Henry G and Henry W. Commended, Edward. The POSTER COMPETITION was won by ANNA, Runners up Alfie, Imogen and Jack. Commended were Samuel and Ella.**

The standard of entries was exceptionally high and we thank everyone for participating. We also would like to thank our sponsors for their continued support.

We now turn our attention to tidying up in preparation for winter. We are pleased to note that we have three new members joining the group, but as always we look to have as many residents joining as possible. If you are interested please contact Jan on 250175 or Bill on 538629

## **Nafferton Village Hall News**

## Nafferton Primary School - Bags2school

We are pleased to announce that the school has organised a textile collection with Bag2School in order to help raise funds for the school.

Bag2School are the UK's leading textile recycler and fundraiser working with schools and since its inception in 2001 they have now paid out over £16 million. As well as raising vitally needed funds for our school, it also helps the environment by helping to divert unwanted textiles away from landfill. A recent DEFRA report has shown that textile collection schemes are helping to reduce the volume of textiles discarded as municipal solid waste. However it is a fact that as a nation we still send 1,081,000 tonnes of textiles to landfill every year.

By getting involved in our Bag2School collection, you have an opportunity to sort through your cupboards and wardrobes and donate unwanted textiles – this can include adults' and children's clothes, shoes (tied together please), hats, belts, bags, soft toys, curtains and bedding (not duvets or pillows). We will receive £500 per tonne or £0.50/kg which will be a great boost for our fundraising. In addition it will also raise awareness amongst the children of the benefits of recycling and reuse.

Donation bags are being given to each pupil in school but if you need a bag to donate items please call in to the school office. Bag2School will be collecting from our school on Friday 6th October at 9.00 a.m. Please bring your bag (or bags!) to the front playground and help us have a really good collection. If you are unable to bring your bags to the school yourself and live in Nafferton, please phone us on 01377 254307 and we will try and arrange a collection.

Many thanks indeed for helping us with this unique fundraising opportunity.

Mr P Johnson

Headteacher

## REWIND THE 70s

On Saturday 4th November Bridlington based covers band "Rewind the 70s" will be rocking the village hall, doors open 7.30pm and 70s style "chicken in a basket" will be served at 8.30 approx.

So all you glam rock fans, join us for a fun night, and feel free to dress as your favourite 70s band member— Bowie, Marc Bolan, ZZ Top, Cher and so many more.

Call Raymond on 254733 or Julie 07850774405 to book your table

All profits to be split between Local Nafferton Charities

## Nafferton Scout Group

Are pleased to announce that Father Christmas will be arriving at the Mere on **Friday 1st December 2017 at 6pm** for his annual visit to Nafferton!

He will be accompanied by the East Riding Youth Brass Band.

After arriving at the Mere, he will be popping up to Nafferton Primary School.

\*\*\*\*\*

Nafferton Scouts are also hosting a **Body Shop Party** at Nafferton Village Hall on **Wednesday 22nd November at 7pm**—get your pressies ordered in time for Christmas!

## Nafferton Sports & Recreation Club Opening Gala !

**Saturday 9th December (Make your diary notes now)**

**Open day from 10 am until 4pm - all welcome and free to enter!**

There will be lots of events on during the day including various Arts & Crafts demonstrations, Junior Football competitions, and even Father Christmas will make an appearance! As well as a chance for people to look around the new facilities on offer. More details will be in our leaflet which we will distribute nearer the time.

From 7pm there will be a ticket only event including singer and DJ, hot food, and a fireworks display to see the opening in with a bang!

Tickets are £10 each and strictly limited so please book early to avoid disappointment.

Please contact the clerk on [naffertonpc@gmail.com](mailto:naffertonpc@gmail.com), or message us on Nafferton Recreation Club Facebook page.

## Nafferton Parish Council News

### NEIGHBOURHOOD WATCH SCHEME AND THE SAFE AND SOUND GRANT

The Neighbourhood Watch Scheme is about local people working together to create a safe, attractive, friendly place to live where crime is less likely to occur and people are less likely to turn to anti-social behaviour. It is about neighbours looking out for each other and making sure that no one needs to feel alone, scared or vulnerable in the place that they live. The main purpose is to prevent crime by taking steps to make Nafferton a safer place to live. This includes providing information and advice on how to make your home more secure as well as being the eyes and ears of the Police in the area. Members can receive and pass on information to each other, the police and ERYC where appropriate. Groups can also get involved with optional activities such as Crime prevention training, Fire safety awareness, Emergency planning, Activities to improve local environment and Crime resilience initiatives.

#### How does it work?

Each group is run by its own community. Some groups meet on a regular basis, others via email and/or newsletter and meet when needed. The council will help get the group off the ground and provide you with information and advice on an ongoing basis. Neighbourhood Watch provides a communication route to the Police and ERYC for you to pass on your collective knowledge which can then be used to combat crime and help shape how services are delivered.

#### What can we do?

We only have 3 streets signed up to NW in Nafferton - Ward Lea, St Quintins Field, and Beech Grove - and we would like to see more. The Parish Council are also joining so we will get all the communications going forward .

Maureen Yates, our Community and Crime Reduction Officer, can be contacted directly on [maureen.yates@eastriding.gcsx.gov.uk](mailto:maureen.yates@eastriding.gcsx.gov.uk) or 01482 391013

#### The Safe and Sound Grant

This is a grant to help minimise the fear of crime by providing additional home security measures to enable residents to feel safe in their home.

To qualify for assistance applicants must be:

- \* Aged over 60 or disabled
- \* A homeowner or private sector tenant/Housing Association tenant
- \* Everyone living in the property must not have a bank balance of over £5000 when added together

#### How can it help?

There will be free home security assessment and home security equipment can be fitted.

#### How do I apply?

To apply for a Grant, request an application form by sending an email to [safe.communitites@eastriding.gcsx.gov.uk](mailto:safe.communitites@eastriding.gcsx.gov.uk) or calling 01482 396380

### REMEMBRANCE SUNDAY

Remembrance Sunday, which falls on 12 November in 2017, is a day for the nation to remember and honour those who have sacrificed themselves to secure and protect our freedom. As usual we will be meeting at the War Memorial in order to hear the citation and listen to the last post at 11am, prior to the service at the Methodist Church - all parishioners welcome!. The road will be closed from 10.45am to 11.10am (Middle Street to Methodist) to allow the service and for the procession to pass. The Parish Council are looking for a volunteer to read the citation - if any members of the Armed Forces , past or present , would like to be considered, please contact the Clerk on [naffertonpc@gmail.com](mailto:naffertonpc@gmail.com) or call on 01262 488702.

### APPLE PRESS EQUIPMENT

A reminder that the Apple Press (kindly donated by Nafferton Millennium Committee) is available for use free of charge for any parishioner. Please contact the Clerk on [naffertonpc@gmail.com](mailto:naffertonpc@gmail.com) or call on 01262 488702. All we ask is that you return it in the good condition you find it.

### CCTV

We have appointed GTek Systems of Kilham to undertake the works for the Playground CCTV and the Recreation Club CCTV. Work should be started shortly and completed in October.

### DOG FOULING

The issue of dog fouling remains an issue so please find information and contact numbers from the Dog Warden Section:

ERYC have found random patrols to be ineffectual. By asking complainants for a more information up front the dog warden team is using an intelligence led approach , which is increasing success rates with fixed penalty notices.

For examples if a member of the public can tell the dog warden that 'a man in a red fleece walks a black Labrador on the playing field every morning at 7.30 am and never cleans up", we can make sure that dog warden is at the right time in the right place looking for the right person.

The number to contact with information or complaints is 01482 396360.

### TREES AND LANDSCAPE

ERYC would like to remind parishioners whose garden boundaries are adjacent to the boundary of the village conservation area, that should there be a need or intention to cut back trees which may encroach onto their property then it is a requirement to give the local authority 6 weeks notice before the works are carried out (211 notice). They will also need to give the owner of the tree prior notice. For further information please contact the Tree and Landscape Team on [treesandlandscape@eastriding.gov.uk](mailto:treesandlandscape@eastriding.gov.uk) or 01482 393635

### CLOTHES DONATION BINS

Please ensure any items placed in the donation bins around the village are pushed fully into the receptacle and if it is clearly full please do not leave bags at the side of the bin but return after it has been emptied.

## Nafferton Against Fracking

### Fracking is starting in Yorkshire!

Now the holiday season is over, and with it the calming of traffic around Flamingo Land, Third Energy are turning their full attention to developing their well pad in Kirby Misperton (less than a mile from the park, and only ¼ hour's drive from Nafferton). Adjacent to their existing conventional gas well, they have prepared another pad (KM8) and drilled another well in anticipation of test fracking it in the near future. This will be the first frack in the UK since Cuadrilla caused two small earthquakes in Blackpool in 2011. Consequently, fracking was 'put on hold', until now!

### What fracking will do:

The villages south of KM8 and Kirby Misperton itself should expect a sharp increase in HGV movements (where before there were next to none) as heavy machinery is moved in to make ready the well for fracking. These movements will pale into insignificance once fracking begins as thousands of lorry journeys are required to service a pad. The pad operates 24 hours a day, 7 days a week. The process of fracking requires millions of gallons of fresh water and thousands of tonnes of sand. Millions of gallons of contaminated waste water will need to be removed to treatment works many miles away.

### And that's not all!

What happens then is unclear. It isn't actually possible to treat all the contaminants in the waste yet. To save money in the future, the oil/gas companies will look to reinject the untreated waste back into the earth, a process that is causing hundreds of earthquakes in the USA.

### Worried?

When we can, members of our group will join with the locals and others sympathetic to the cause to protest against fracking at KM8. The more people gathered, the more people showing their opposition, the greater chance of stopping it. **If we can stop it there, there is less chance it will happen here.** If you want to do your bit or become more involved and can join in this peaceful resistance please email [naffertonaf@gmail.com](mailto:naffertonaf@gmail.com), telephone Peter Reed on 01377 257600 or visit [frackfreeeastyorkshire.com](http://frackfreeeastyorkshire.com).

### What about our area?

Cuadrilla own the license to explore for gas in our area. If you see any unusual vehicles or activity anywhere please contact as above. Planning permission is not required to carry out seismic surveys, a procedure required to see what's underground. The trucks could appear anywhere.

We need them to know they are not welcome at as early a stage as possible. Please contact us by phone or by email (above) if you see anything.

## Nafferton Methodist Chapel News
