All Saints' Church News

Work commenced at
All Saints' Church

Nafferton starting on Monday 11th January 2016 concerning the reorganising of the west end of the Church. The work entails the removal of pews, new paved flooring, installation of under floor heating and enhancing the font area and upgrading the present radiators.

This work will cause considerable disruption to weekly services and access to the Church. The work is estimated to take approximately 12 - 14 weeks. The contractor and the Health & Safety officer for the project WILL NOT ALLOW ACCESS TO THE CHURCH VIA THE PRESENT ENTRANCE, and therefore the PCC in conjunction with the Ministry Team have decided to move services to our sister Church in the benefice St Mary's Church Wansford, where we already hold joint services in the month.

This decision has been made in order to protect the health and safety of Parishioners, their comfort and welfare when worshipping.

Details of the amended services can be obtained by contacting Mr Michael Anderson, the Church Warden on 01377 254410 or any individual member of the PCC or the Ministry Team via Rev'd Brian Lees on 01377 270806

Bell ringing

Please note there will be no bell ringing practice on a Thursday night or Saturday morning for the foreseeable future whilst work is being carried out in the church

Nafferton W.I

The next meeting on 10th February will be a beauty demonstration by Airborne Cosmetics and on 9th March we have the return visit of John Slater when a lively evening is guaranteed. The 5th March sees the Afternoon Tea, watch for posters with details nearer the date.

Why not come and join us? We meet at 7.30pm in the village hall always on the 2nd Wednesday of each month. You can visit for three months without paying the annual subscription just a small charge!

For more details contact the President Kathy Lane tel. no 252306

Yorkshire Air Ambulance

At least £1,130.30 has been sent to Yorkshire Air Ambulance during 2015.

This includes proceeds of WI coffee morning, St. Quintin residents' car boot sale and a 'This and that' sale.

Some of this was gift aided and St Quintin's donated their left-overs to YAA charity shop in Scarborough so this would have made our donation even higher. Thank you to all who bought and all who gave items

Ray Dawn Julie and Miranda would like to say a big Thank you to all who joined them in the village hall for the New Year celebration. The night was a huge success with over 75 villagers and their friends seeing in 2016 with a pie and pea supper and disco. Thank you to Nathaniel Hebblewhite who played music for all ages. A lovely night in the village hall.

Scholarship Scheme 2016/17

Nafferton Feoffees Scholarship Scheme is to be offered again this year (its 14th year), after its inaugural launch in 2003. This Scholarship aims to benefit potential higher education students commencing their studies next autumn.

This exciting scheme is approved by the Charities Commission and comes at a time when first year students are anxious about funding not only the cost of their studies, but especially the increased fees and equipment costs. Unlike many scholarship schemes these awards are for the duration of the course. State and Independent schools with likely students are again being circulated with details.

Applications from eligible students from the ecclesiastical area of Nafferton and Wansford are invited, and they will be invited for an interview.

To request full details, and an application form, please apply to; -

Nafferton Scout Group

The Nafferton Scout Group once again welcomed Father Christmas into the village in December. The event both at the Mere and the school hall was well attended and the group raised over £600. Many thanks go out to the Drifffield Silver Band, the stall holders, the volunteers and of course Father Christmas who brought joy to the villagers of Nafferton once again!

Nafferton Millennium Committee

Recent changes in Nafferton Millennium Committee operations:

Many of you may well have seen our community minibus and you may well have noticed that it is now sporting a brand new livery. NMC recently completed the transfer of our contracted passenger services across to a sister community transport charity, HART. NMC have, for some time, been considering how best to sustain the minibus services which are so valued by village residents. The tie up with HART offered an obvious solution which enables a very professional and established local organisation to continue to operate community transport services for the village.

I am happy to add here that the transfer of the white bus (at no charge to HART) took place on the first of January 2016 and that our excellent driver Coral is now employed by HART ensuring full continuity of services to Nafferton folk.

I would like to take this opportunity to thank Coral Green and John Ogilvie for their fantastic work over the years.

I would also like to thank Sarah Sellar for her amazing commitment to the village during her time as our NMC Minibus Co-ordinator. She will get some well-earned rest although she is to continue as the contact point for those village groups who wish to use our smaller silver minibus which remains available for hire to village organisations.

Kerbs are for Pedestrians

Further to the parking issues last edition, there is no need to park on kerbs which while currently not illegal, it is still an offence to drive onto the pavement and is a road safety issue. Please leave pavements free for people, wheelchairs, prams & children. Thank you.
