Nafferton in Bloom

As we move from Spring into Summer, we are starting to see the fruits of our labours as colours develop around the village. The team have been busy tending the various floral displays, flower beds on New Road, North Street, hanging baskets at the bus shelter, planters on Jubilee Gardens, planters and bed at the school on Westgate, planters at the War Memorial, planters on the railway station, flower beds at the railway station and several other sites. All of which intended to make the village truly colourful.

Additionally we have removed the dogwood on the site between New Road and Driffield Road, as it was beginning to look past its best. Many thanks to the team for clearing the site and to Frank Pickering for the loan of his trailer. Our thanks also to the guys who helped with the heavy digging equipment.

The Good Friday plant sale was a great success, with virtually all plants and cakes sold. Our thanks goes to the Scouts and Brownies for their support, it was much appreciated. Thank you to all who supported the event.

Our attempt at litter picking on 12th April was hampered by the poor weather. A number of members and villagers turned out and our appreciation goes to them.

We now have dates for judging of the floral competitions. Judging for the **NAFFERTON FEOFFEE'S TROPHY** will take place on **13th/14th July**. Judging for the **LONDIS TROPHY** will take place during week commencing **4th July**.

Details of entry to the **PRIMEPAK FOODS** competitions are prominently displayed around the village.

We have previously advised of our entry into the **YORKSHIRE IN BLOOM** competition. We now have a date for judging which will be **THURSDAY 21st JULY**. We look forward to welcoming the judges and providing them with a superb display of colour. We know that all villagers will take the opportunity to impress the judges with their own personal displays as they have done in the past.

We would like to take the opportunity to thank people for the support that NIB is given, particular thanks goes to Nafferton Millenium Committee and The Nafferton Feoffee's Charities Trust for their continued financial support, which is very much appreciated.

As always we are always looking for new members to join our merry band of volunteers. Anyone wishing to join please contact Jan on 250175 or Bill on 538629. There is no joining fee, no cost at all...just as much or as little of your time as you can spare. Additionally a vacancy as arisen for the post of Secretary, anyone interested in this role please contact either Jan or Bill.

Parish Council News

The P.C. is still waiting for a planning decision from ERYC relative to the Recreation Clubs new build. There may be news on this subject in June, as a meeting was taking place imminently. Also they are still waiting for an up-date on the erection of a Phone Mast at the Recreation Club.

On the subject of dog fouling, dog control orders will shortly be replaced by PSPO's (Public Spaces Protection Orders) and fresh signs will be produced when these commence. However the penalties and the laws in relation to dog fouling remain the same.

Relative to the Mere, over the years, people have fed the water fowls lots of bread, so attempts are being made to encourage protein enhanced foods to be fed so improving the birds health. It is recommended that you place food into the Mere as against leaving it on the side (which would be a health hazard) and if feeding bread, wholegrain would be better. Try not to feed to excess.

Child safety in Westgate.

ERYC conducted a survey to examine if a pedestrian crossing was viable, but it proved that the traffic flow was too low and the number of pedestrians was also insufficient for it to warrant a pedestrian crossing. Villagers must continue to be very alert when in that area, particularly at school times.

Two or three other items of Parish Council news.

Firstly, the second annual Funfair held last September proved a success with good attendance figures and the operators would like to make it a regular annual event

Secondly, whilst waiting for a decision from the ERYC planning dept, we continue to have bowls, tennis, cricket and football teams playing at the Rec and working on how we can make the best use of the playing fields.

Thirdly, the P.C. is taking over the Citizens Link Kiosk at the top of the village for a small rental value from ERYC, rather than seeing it demolished, any ideas for usage would be welcome, please contact a Parish Clerk (anne@annetyler.orangehome.co.uk) Incidentally there are 2 vacancies on the Parish Council at present, if interested please contact Anne Tyler at the e-mail address above.

Nafferton W.I. Inspiring Women for 100 Years

We have had very interesting speakers at our recent meetings. In April we had Robin Arundales from the Wolds Barn Owl group who fascinated us with his beautiful slides etc. - then a few days later we saw him make a television appearance.

The May speaker was Dr. Steven Haynes who gave us a most detailed account of his life as Master of Ceremonies which included working for the Queen and her family at her Royal residences and in June we welcome one of our own members to speak and entertain with holiday photos.

We have seats available on our coach for friends including gentlemen for our visit to Knaresborough and Skipton on Wednesday 10th August. For more details, contact Heather Winn on 01377 254573

Then our thoughts will soon be thinking of ways to celebrate our 90th Birthday next year. The W.I. is the oldest organisation in our village and over the years these ladies must have inspired many others. Why not come and join us. We meet the ~~second~~ Wednesday in the month at 7.30pm in the Village Hall. You will be made most welcome.

Movement of Post Office to Londis

We have all been aware that moves were well in hand for the village Post Office facility to be moved to the Londis shop and the move is due to take place on **Wednesday the 13th of July**.

The 'old' Post office will close on Tuesday 12th July but newspapers will cease to be available from the Saturday the 9th July.

However, newspapers will be on sale daily at Londis as from Sunday the 10th July but initially there will be no house to house deliveries.

Let it be said that the village has been very grateful to Debbie and Paul for their support of village activities over the 12 or so years that they have been our village postmaster/newsagency etc. So very many thanks for all those past services that you and your helpful staff have so ably provided. In the meantime Kevin, Linda and their staff at Londis are looking forward to welcoming customers old and new for many years to come.
