NAFFERTON WOMENS' INSTITUTE

We continue to enjoy our monthly Wednesday evening meetings, with May being no exception. 8th May saw our own Nafferton member Sue Southcoat give an excellent presentation on mineralogy, when members were given the opportunity to handle and discuss a large collection of different rocks and learn their history. Our annual afternoon visit took our members to Highfield House, Driffeld, to enjoy Afternoon Tea at this historic building.

We now look forward to our June 12th meeting when Jenny Price will talk on Valuations – the “ins and outs”, followed by on the 10th July “Ladies in Lavender” - a hands on craft evening, with members also invited to wear something relating to the colour Lavender.

Why not come along and join us – our meetings start at 7.30 p.m. in the Village Hall. Relax and Listen to interesting speakers, meet new friends and enjoy a cup of tea/coffee and cake with us.

Nafferton in Bloom

First of all a huge thank you to everyone who so generously supported our Plant and Cake stall on Good Friday. We had many donations of plants and cakes which raised almost £300.00 and provided a much-needed boost to our funds.

The Yorkshire in Bloom judging will take place on 1st July from 11:30am to 1:00pm and we hope to have a general tidy up and litter pick during the previous week but if you are able to pick up the odd bit it will help us tremendously. The Judges take into account the surrounding area, tidiness and general overall look of the village and not just flower beds, planters etc., so please help us to give Nafferton a wow factor!

We are pleased to say that the Children's Competition is running again this year. Judging for our Feoffees and Londis Trophies will take place during week commencing 1st July and the prize giving will be on July 15th on Jubilee Gardens. We will be holding a plant and cake stall from 12 midday until 2pm when the trophies will be presented. Please do join us for this event.

If you would like any more information or would like to join us then please ring Alan on 57538511538511 or Ann on 250759

Recreation Club News

Resurfacing of the old tennis hard courts is ongoing and should be completed on schedule. Initially this will be marked out with tennis and netball courts, with other sports to follow.

We have removed the overgrown leylandii trees which were impinging on the court fencing and overshadowed the courts.

If you are a member of a sports team that's looking for somewhere with state of the art facilities to play, please contact Caroline on events@naffertonrecclub.org.uk

Our 2nd Beer Festival is on 29 June. Great new beers, ciders and gins to enjoy and lots of entertainment. Tickets are limited to 500 and are available online via Eventbrite on

Parish Council News

Swan on the Mere - as per residents wishes the PC applied for a licence to Natural England for removal of the aggressive male swan on the Mere. Unfortunately, this was rejected as there is no legal reason for them to grant removal. Protecting other wildfowl does not come under the Natural England licensing provisions. Only if we have clear, substantive proof of health and safety risk to public can they look into granting a licence. Any other enquires on this subject should be directed to David Brown at Natural England.

Due to the success of CCTV in the large play park in reducing litter, dog fouling and anti-social behaviour we are looking to introduce this into the small play park also.

Dog fouling warning notices are being repainted on the pavements again in another effort to deter this practice. Dog owners - please respect your community and ensure you pick up after your pet!

Thank you to all the volunteers (on the Parish Council or otherwise) who continue to do unpaid jobs around the village in their spare time - litter picking, maintenance jobs, fund raising, and generally helping to keep Nafferton a great place to live!

Nafferton Scout Group

Scouts Our Beavers have had a great time visiting the new play park at Burton Agnes and they will be visiting the Lifeboat in Bridlington in June. Our Cubs have been on a treasure hunt around the village, a bike ride and litter picking. The Scouts have been concentrating on water pollution and they have been making eco-bricks which keeps the plastic out of our waters.

We are looking for new volunteers! We are looking for new Beaver Leaders to join our team in September. Put your skills to use, learn new ones and play an active role in Nafferton Scout Group. Volunteering is easier than you think. With full support and training, you can also volunteer on a flexible basis.

Giving young people the skills they need to succeed in life and discover how being a part of the Scouting family can be as rewarding for you as it is for them.
