

NAFFERTON NEWSLETTER

NAFFERTON DIAMOND ‘LYMPICS

THE Nafferton Millennium Committee (NMC) was absolutely delighted with the number of villagers and their families who supported the Diamond Jubilee event on the 4th June.

The turnout really exceeded all expectations and certainly made all the efforts of those involved worthwhile. Also the NMC have received many compliments with regard to the whole day but

particularly the fireworks which ended a very memorable and important day in our lives.

Anyone who is interested might like to see the photographs taken at the event and these are now on the village website, www.nafferton.net.

Thank you to everyone who came along and supported the village jubilee celebrations.

JUBILEE CELEBRATIONS: PARISH COUNCIL GAZEBO POSTBOX

Thank you for all your various suggestions and concerns raised on the day. We will try to follow up every point made on the day as soon as possible.

ALLOTMENTS & THE FUTURE OF THE RECREATION CLUB

AT the Nafferton Parish Council meeting on 11th July the subject of allotments in the village was discussed. The Parish Council has been offered land at the Recreation Club to use for allotments and support has also been received from the Foeffees, which will enable this project to begin. Approximately 30 allotments can be set up at the back of the field. This still leaves space for the cricket pitch and two football pitches. The Parish Council supports the plan in principle and would like to explore if a suitable lease can be arranged so all parties know where they stand before we go ahead.

It was also announced that the Nafferton Recreation Club has approached the Parish Council to ask if the Parish Council will take over running the Club. The Parish Council agreed to look into this and will find out all the details. It was suggested at the meeting that we can then inform the village more fully, possibly at an open meeting later in the year or by way of the newsletter.

DOG-FOULING ON THE PLAYGROUNDS

THERE has recently been a large amount of dog-fouling in the Village Playground areas. This is a very disturbing development, not only because it is highly unpleasant for everyone, but also because it is a potential health-risk to the children who use the facilities.

Dog-owners are mainly very responsible people, but there are unfortunately a few who behave in an anti-social manner.

Dogs are **not** allowed to enter the Playground areas,

even on a lead. Signs have been installed which make this quite clear. Any dog-owner who is shown to be flouting this ban risks prosecution.

We ask for the co-operation of everyone, both in the interests of the people of Nafferton, and for the wellbeing of our children.

Please always close gates behind you, and please report any irresponsible behaviour.

Please ring 01482 396301 for the Dog Warden Service. *Geoff Ormerod (on behalf of Parish Council)*

Once again the Newsletter apologises for not being able to include the full text of the poem written by the year 3 pupils at Nafferton Primary School. The full text of the poem is still on the Nafferton website (www.nafferton.net) – please do take the opportunity to read this fine piece of work if you can.

Nafferton in Bloom were particularly impressed with the efforts of all who took part and the many floral and artistic displays entered were of a commendably high standard this year. Congratulations to the winners and well done to all who took part!

YORKSHIRE IN BLOOM JUDGING

THE Yorkshire in Bloom judges visited the village for summer judging on the afternoon of 20 July, concentrating their efforts on the north and central areas of the village, which they had not toured in March. As well as looking carefully at the public spaces in the village, the judges took careful note (and many photographs) of many private gardens and floral displays along the route. The judges seemed very impressed by both the care taken and the pride in the village's appearance. Thank you to everyone who helped in any way to make our village look so good.

NMC MI-BUS DRIVER UPDATE

Nafferton Millennium Committee wish to thank the Nafferton Newsletter for helping them to appeal for minibus drivers to enable them to continue to provide regular community transport services. The good news is that they received eight enquiries, which led to five actual applicants and after interviews two drivers have been appointed. The Mibus service, which operates on Tuesdays and Thursdays, is a door to door pick up

service which takes you into Driffield and returns you back to your home later in the day, and if you have a bus pass, then the service is free. To use this service, you have to book your seat by phoning the following number the day before and try to ring well before the final time of 4 p.m. The number to ring is **0845 644 5949**

FANCY AN OUTING?

DON'T FORGET to ring Sarah on **0783 352 8618** if you fancy booking the community minibus for an outing - for a Sunday lunch, perhaps, or a shopping trip; a trip to the beach or Flamingoland; a family celebration or a weekend away. Whatever your idea, Sarah is there to help and NMC has some money to help fund the trip. Why not give her a call?

NAFFERTON W.I.

OUR coffee morning for the Yorkshire Air Ambulance at the end of June was a huge success. People were incredibly generous in donating articles for sale, and even before the event itself, Betty Jakins had collected over £200. In total we made £650. A big thank-you to all who contributed in any way and especially to Betty for the loan of her house and garden and for her tireless work. What would we do without her!

Our speaker in July was Bob Smailes, fund-raising organiser for the Air Ambulance. He gave, with great good humour, a presentation about all the work they do, after which Betty presented him with the money we had raised. As there is no Government funding for the charity all monies are welcomed.

Our next coffee morning will be on Saturday, September 1st which will be for W.I. funds.

Our annual outing in August is to Northallerton and Kiplin Hall and our next meeting in September will see Kerry Jennings speaking about Wiltshire Farm Foods, followed in October by Alison Morris telling us about AGE.UK.

We are also looking forward to our Federation meeting at Beverley in October and to a proposed visit to Donna Nook in Lincolnshire to see the seal pups.

Like any more information? Then contact Secretary Heather Winn on 254573. We will be delighted to welcome you

NAFFERTON SHOW 2012

On a bright sunny morning exhibitors made an early start to staging their exhibits in the Village Hall and again it proved a most successful event, with many new residents of the village joining together for friendly competition.

Mr Allan Hook, Chairman of the Village Hall committee who organises this event, introduced the President Mr Geoff Hall, and the show was opened by his wife Mrs Jean Hall. Allan's twin grandsons presented a gift to Mr & Mrs Hall.

Entries for the 73rd annual show numbered 823, which was very good considering the dreadful growing season for vegetables and rain damage to the flowers, especially roses. There was an increase in entries in the photography classes,

but overall the number of entries was down on previous years. A total of £658-53 was realised, which is a splendid achievement.

Special mention must be made of the entries from the village school. The judges find the task of judging these very difficult, and say the standard improves every year. Well done to all the children!

The day was completed by a sale of produce, conducted by Adrian Harrison. The committee would like to thank him for such a lively auction.
