## Recreation Club News

### Beer , Cider and Gin Festival:

Firstly, may we say a great big heart felt thank you to everyone who came along and supported the 2nd beer festival at the recreation club. It was a great weekend helped again by the weather; we hope you all enjoyed it. A great big thank you to everyone who helped on the run up and on the day, especially to the ones who are not on the PC committee for giving your time, we couldn't have done it without you.

Also, thank you to all the local businesses who supported by sponsoring the event. The proceeds will go towards the running of the Recreation Club for next year.

### Scarecrow Festival:

Nafferton's Annual Scarecrow festival is fast approaching and this year the festival will be held on Saturday 14<sup>th</sup> and Sunday 15<sup>th</sup> September. The theme is films.

It will be an action-packed weekend starting at 9:30am on Saturday at the Recreation club. The maps will be on sale along with lots of community action, bouncy castles, trampolines, face painting, music and a BBQ. On Sunday 9am-12pm there will be a car boot and table top sale and apple pressing from 11am onwards along with our presentation of prizes at 5.30pm

If you or your community group would like to be part of this great weekend, please contact Caroline. Also, if you would like to book a car boot pitch or an indoor table space.

Email: [events@naffertonrecclub.org.uk](mailto:events@naffertonrecclub.org.uk)

If you haven't received an entry form, please let Caroline know and she will get one to you.

It would be wonderful to fill the village with scarecrows as it brings trade to everyone including the shop, pubs, fish shop, Methodist church, All Saints Church and the youth groups who get involved. Without scarecrows there's no festival! It does not matter what it looks like as any scarecrow is better than none!

## Nafferton in Bloom

The Summer months are always busy for the Nafferton Bloomers.

As previously reported, after a break last year, we entered the Yorkshire in Bloom competition. July 1st was the day when the Royal Horticultural Society (RHS) judges assessed the school and village. We were hoping for good weather and had glorious blue skies and sunshine. A perfect start to the proceedings!

To ensure the village looked its very best, we were planting, watering, litter picking, watering, sweeping and watering again during June.

And - thanks to the skills of several 'Nafferton Knitters' - we had lots of crafted flowers to decorate the school frontage and Jubilee Gardens. We hope you enjoyed seeing our floral displays.

Three other competitions took place in June and July.

- **The Primepak** competitions for younger (under 16) villagers. Sadly, there were no entries for the 'plant a pot or tray garden' competition this year. The 'create a poster' competition had lots of entries from the Under 5s group. Their delightful pictures were full of colour, and picking the winners was not an easy task!

- **The Londis Trophy** for the business with the best floral display in the village. As in previous years, there were lovely displays at most of the business premises in the village.

- **The Nafferton Feoffees Trophy** for the best floral display at private dwellings without front or side gardens. The baskets and tubs were spectacular this year and helped to make the village look its very best.

As Autumn approaches, we'll continue to try to keep the village looking good. Helpers are always welcome - we're a small group, and struggle to keep all the displays maintained and watered. If you notice someone tending a floral display, they're probably a Bloomer! Why not have a chat with them and find out where help is needed? Or contact Ann on 250759 or Alan on 538511 for more information.

## Nafferton's Women's Institute

Ladies – why not come along to the Village Hall on the 2nd Wednesday of each month and have an enjoyable evening with our W.I. Group? Our meetings start at 7.30 p.m. when we arrange a variety of visiting Speakers. On the 11th September we shall be learning about the Subconscious Mind with Anne Marie Stagg, followed on the 9th October with Karen Adams introducing us to Castles of East Yorkshire. In true W.I. style, we like also to arrange craft evenings. Our members already having made beaded necklaces and, recently, an evening producing items involving Lavender. Visitors are always made very welcome.

### DEFIBRILLATOR AWARENESS SESSION

The Yorkshire Ambulance Service will hold the above session at NAFFERTON PRIMARY SCHOOL On 25th September 2019 at 6.00 p.m.

We now have a defibrillator located just outside the school gates, which has been purchased with donations and fundraising events. Please do come along and support this event – everyone is welcome.

### Thank you

Recently, William on Station Road sold homemade lemonade to raise money to buy food for the food bank at Driffield. He and his family would like to say thank you to the kind lady who gave him £10

### Safe Parking Reminder
